PHYSICS IS PHU

# AND YOU

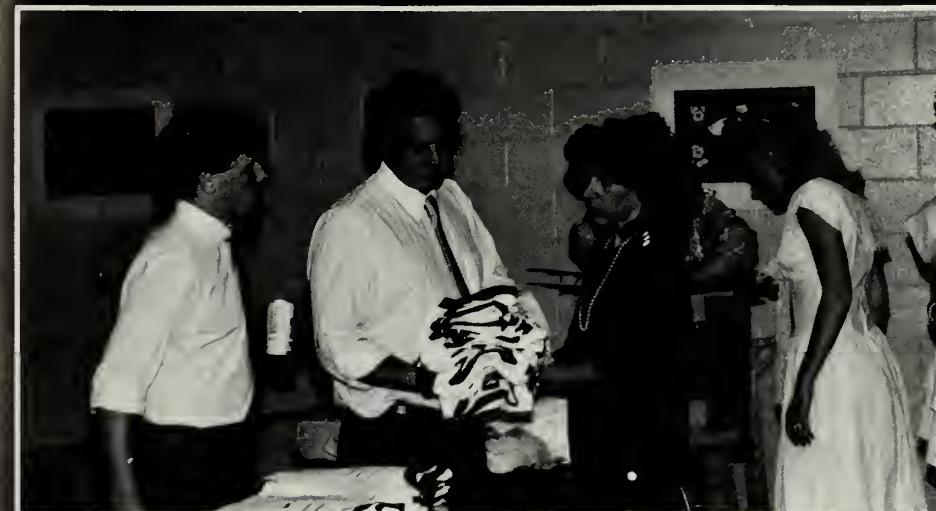

A devoted educator is someone who not only pushes his or her students to perform to the best of their abilities but also someone who is always willing to listen to a student's concerns and ideas. Such a teacher is ready to lend a hand and put in those valuable extra hours helping students in both academic and extracurricular areas. This person works diligently and often goes unnoticed and unrewarded. A true teacher is one who feels satisfied merely in knowing that he or she has done the best job possible to insure that the students receive the highest quality education both inside and outside the classroom.

This teacher is the loudest fan at Powder Puff games, always prepared to hose down a car at a Senior Car Wash, an unbiased referee for Volleyball Tournaments, the busiest hostess at both the Senior Class Breakfast and the Banquet, quick on the draw with the key to the School Store, technical director for all Lip Syncs, stand-in Broadway director for the Senior Class Play, poster-painter, organizer, innovator, FRIEND.

Yes, we certainly kept her busy, but she undoubtedly has been one of the best Senior Class Advisors ever known to Westwood High School. So, it is with much fondness and extreme gratitude that we, the Class of 1987, dedicate GREEN YEARS to MRS. CAROL ROENGARTEN!

# THIS ONE'S FOR YOU!

# Principal's Message

## TO THE CLASS OF 1987

As the Class of 1987 concludes an entirely successful senior year, I would like to congratulate the officers, members of various class committees and, indeed, the entire membership of the class.

The class established an enviable reputation for many successful activities, incredible fund-raising powers, good spirit and dedication to the welfare of the school. For all these reasons, I am sure the administration and staff of the school will long remember you and can but hope succeeding classes will model their activities upon yours.

May I wish all of you every success as you move on to new educational or occupational activities. I am sure you will bring the same qualities to bear on the problems presented by these activities as you have on the many facets of your high school experience.

Yours very truly,

Philip F. Flaherty

# Vice Principal's Message

My congratulations and best wishes to the Class of 1987.

You have good reason to take pride in the excellent spirit and strong leadership consistently exhibited these past four years. The strong character and numerous contributions of the entire Class have established an enviable reputation. Close relationships between staff and students have led to lasting friendships and prepared you well for the challenges that lie ahead. You successfully grasped the numerous opportunities available at W.H.S. and it is my sincere hope that you will use these to achieve growth, happiness and success in the future.

I appreciate your support and urge you all to preserve the friendships of your school years and become active alumni.

"AGE QUOD AGIS"  
Charles W. Flahive  
Vice-principal

## Class President's Message

I would like to thank you, my fellow classmates, for giving me the opportunity to serve as your President. I've had a great deal of fun, and I hope you did too.

We've made our marks at Westwood (some darker than others). Now it is time to move on and make our presence felt elsewhere.

I wish each and every one of you the very best throughout college, work, and life. Thank you and God Bless.

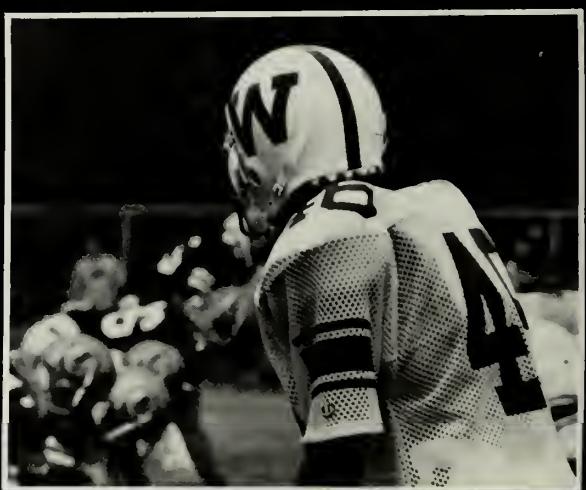

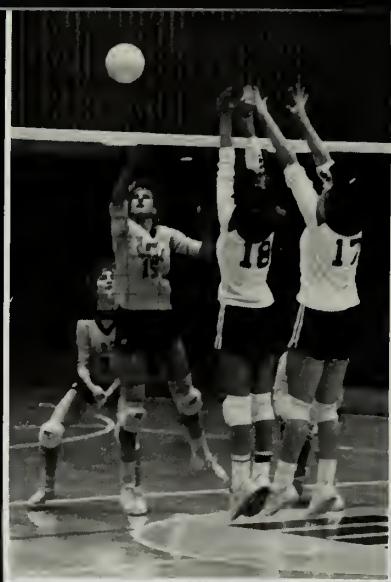

(Hope to see ya in five!)

Assistant Principal Charles W. Flahive

Through the guidance and concern of our Principal and Assistant Principal, Westwood High School maintains its high reputation. Both men are always quite accessible to the student body and always willing to listen to students' ideas and questions. The Class of 1987 wishes to sincerely thank Mr. Flaherty and Mr. Flahive for an outstanding high school experience which will have a major impact upon our future lives.

## “May I have your attention please . . .”

Mrs. Marjorie Hall

Very little could be accomplished at WHS without the diligent work of the secretaries in the front office. These women do a great deal for faculty and students alike. For all of the little things that they did for us which added up to a whole lot of work, the Class of '87 thanks these truly caring women.

# To be or not to be . . . What is the question?

Dr. Terrence Earls, Chairperson

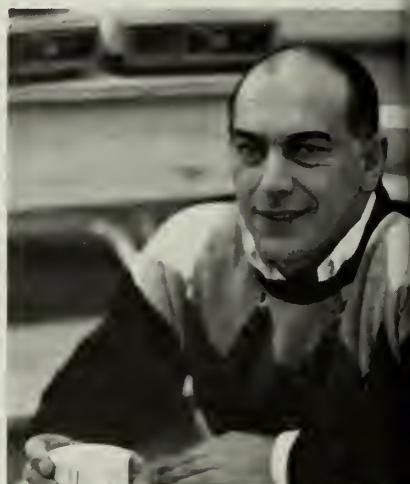

Miss H. Joan Dillon

Mrs. Jeryl Barraza

Despite constant competition from MTV, the English Department, headed by Dr. Terrence Earls, introduced us to the classical entertainment of Shakespeare and Cummings. Through sometimes comical and often revealing manuscripts for Mr. Chatterton's creative writing course, students learned more about themselves and each other. The dynamic instruction of Miss Dillon, Mr. Hancock, and Mr. Milan challenged AP students as the two-year preparation for the exam continued. The Class of '87 thanks each member of this staff for four years of support and guidance.

Mr. James Pender, Coordinator

Mr. Raymond Kodzis

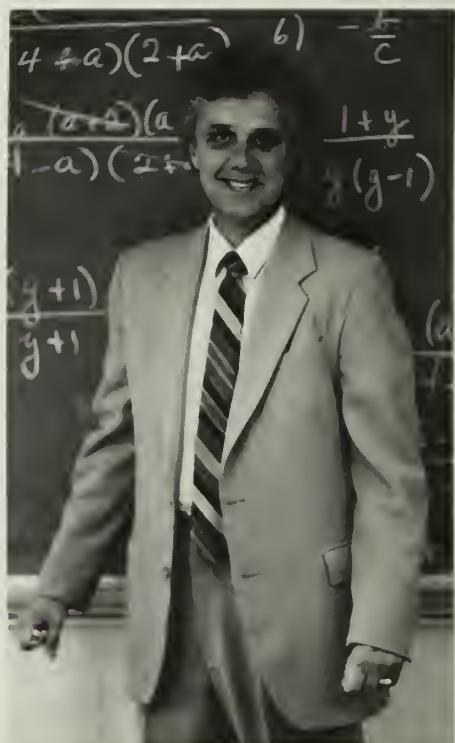

Mr. Richard Hargreaves

1986-87 was another challenging year for Westwood math students. Under the guidance of Mr. James Pender this department strengthened basic skills while introducing new material. In Mr. Rook's classes, he asked the questions and students answered, replacing lectures with often active discussions. Mr. Kodzis' jokes, Fischler's expressions, and Miss Bolles' humor added life to algebra, geometry, and analysis. Mr. Hargreaves prepared a few brave souls for the AP calculus exam and as always, the invaluable math seminar was everyone's favorite hangout. The Class of '87 thanks this staff for its patience and help.

# “... Fire Burn And Cauldron Bubble . . .”

Dr. John Griffin, Coordinator

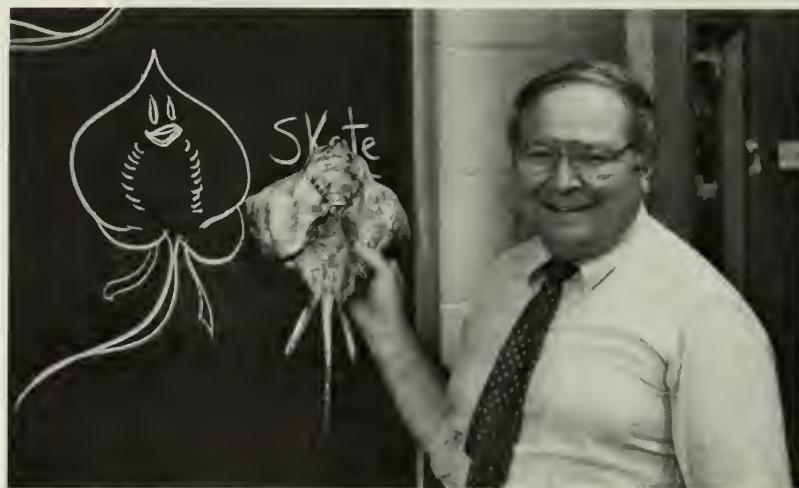

Mr. Christos Sarris

Headed by Dr. John Griffin, the Science Department offers many enlightening courses, including physical science, cellular and molecular biology, chemistry, and physics. These courses range in levels of difficulty so as to meet the needs of the entire student body. AP biology, physics, and chemistry are also offered to those students in search of the ultimate challenge. We will never forget molec. and Mr. Sarris' constant reminders that, "The clock is laughing at you, you bananas!", or Topalian's Toy Closet brimming with examples of the laws of physics. The Class of 1987 would like to thank the science staff for its instruction and enthusiasm.

# In the year . . .

Mr. William Davis, Chairman

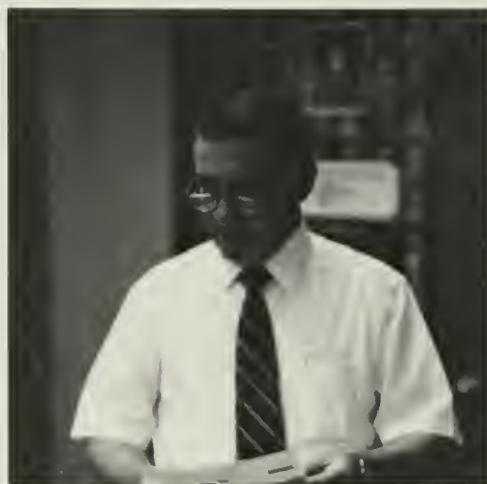

The History Department at Westwood High is particularly strong thanks to the dedicated faculty which offers a wide variety of courses, their extra time and energy, and their friendship as well. Under the direction of its chairperson Mr. William Davis, the department successfully guided us through three or four tough years of social studies. Especially noteworthy were Mr. Stack's Ancient and Medieval History class, Mr. Beurman's Economics and Sociology classes, and the infamous junior year U.S. History courses with Miss Congdon or Mr. Brown. The Class of 1987 extends warm thanks and best wishes to the entire WHS History Department.

Mrs. Elaine Doucette, Coordinator

Mrs. Barbara Gray

Mr. Manol Dhimitri

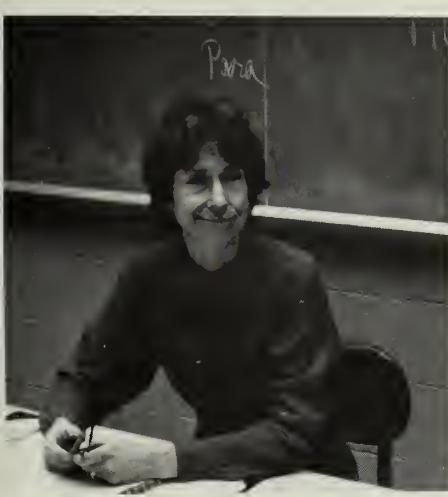

Mr. William Ducheneau

Ms. AnnMarie Tieri

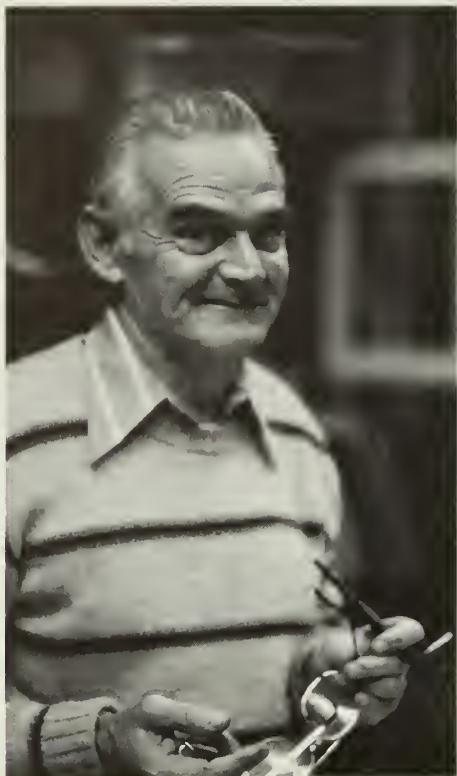

Ms. Lisa Loeb

Mrs. Hollis Perry

The Foreign Language Department, directed by Mrs. Elaine K. Doucette, had a busy year aiding students in mastering the fine art of speaking a new language and overseeing the activities of the Spanish and French Honor Societies. Senor Dhimitri's voice will forever seem to ring throughout the hallways, "Hola Chica!" Just as Madame Doucette will always be ready with a friendly, "Ca va?" Rounding out the Foreign Language curriculum at WHS are Mrs. Gray's German classes and Miss Tieri's Latin course, both of which have been expanded during our years here. Although learning a new language is quite a challenge, this devoted staff has made it a fun and exciting experience for all involved.

# Beauty Is In The Eye Of The Beholder

Mr. Thomas DeSignore, Director

Mrs. Judith DesPres

Directed by Mr. Thomas DeSignore, the Art Department fosters a host of talented and creative individuals. With courses ranging from ceramics to AP Studio Art, this department enables students of all abilities to partake of the visual arts. AP Art History is also offered for those of us who prefer contemplation to production. We thank the art staff for broadening our minds and for enriching our years at WHS.

## Musical Notes

The Music Department, headed by Mr. James Giurleo, Offers a wide variety of musical organizations including Concert Band, Dance Band, Orchestra, Marching Band, Vocal Ensemble, and South East Districts. Also, established only last year, Chorale has become quite popular. These groups meet the needs of all who are musically inclined, and although many are extracurricular activities, the dedication of the participants keeps standards high. The Class of '87 extends warm thanks to the Music Department.

Mr. James Giurleo, Director

Mrs. Maija Gray

# Sound Minds And Bodies

Dr. Joseph Gearon, Director

Mr. Russell Downes

Miss Elizabeth Rice

Mr. Paul Tuccelli

Ms Susan Peters

Mrs. Elizabeth Clement, R.N.

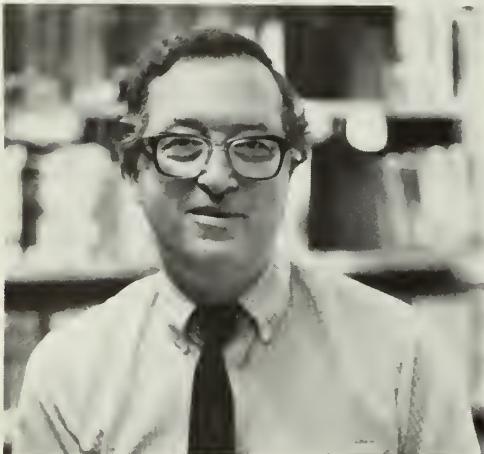

Our Athletics and Physical Education Director, Dr. Joseph P. Gearon, has seen to it that during our four years at Westwood High we have been provided with a top notch Physical Education program. Popular activities have included team handball, aerobics, volleyball, and everyone's favorite, swimming. Our school nurse, Mrs. Clement, has always been a caring and helpful friend in times of need. From this staff we have learned the value of taking care of our bodies through exercise and a healthy lifestyle, about which we were taught in our sophomore Health classes. We thank these teachers for providing us with information which we can all utilize throughout our future years.

# Unlimited Resources

Westwood High is especially lucky to possess a well-equipped media center. Our librarians are always available to lend a helping hand in order to find some crucial bit of information for a research paper, and our media specialist does everything from preparing the PA system at pep rallies to filming various school events. The class of 1987 extends sincere thanks to this helpful staff.

Mrs. Mary Bishop

Mr. Eugene Swezey

## Creativity At Its Best

Mr. Thomas Nelson

Mrs. Virginia McCoubrey

Coordinated by Mr. Lawrence Rettman, the Industrial Arts courses serve as a forum for students' skill and creativity. Classes include wood working, graphics, electricity, and mechanical drawing. The students' feelings of accomplishment and the practical skills learned are what make the courses so valuable.

Mrs. Joanne Arnold

Mrs. Lisa Bowler

Mr. Lawrence Rettman, Coordinator

## Home Is Where The Heart Is

Even in the age of the Yuppie, the Life Skills and Science Dept. remains as popular and as inexpendable as ever. Coordinated by Mr. Lawrence Rettman, the curriculum includes courses in clothing, foods, and child growth. The Class of '87 appreciates all that this department has taught us, and hopes to see the number of males involved continue to rise!

# Home Of Our Future Tycoons

Mr. Lawrence Rettman, Coordinator

The busy Mr. Lawrence Rettman is also Area Coordinator for the Business Dept. Here, students learn such valuable skills as accounting, shorthand, word processing, and of course, typing. The courses provided by this department enable students to gain an excellent overall understanding of the various elements present in today's business world. The many practical skills taught by this caring staff will be of great help to all students whether or not they pursue a business-oriented career.

Mrs. Irene Dhos

Mrs. Natalie Carey

Miss Mary Conroy

Mr. Beurman

## Wild In The Streets

Undoubtedly the most exciting (hazardous?) class at WHS is Mr. Beurman's Driver Education course. Along with the rigorous classroom work, which encompasses not only how to drive a car, but also what makes the auto go, students are taught the many tricky manoeuvres which every MA driver must know. The dauntless men who journey out with these novice drivers include Mr. Ducheneau, Mr. Marx, Mr. Pender, and Mr. Rettman. We students (and our parents!) have truly appreciated the patience and perseverance of the Driver Ed. staff which taught us how to safely navigate the streets of Westwood and beyond.

# HELP!

Dr. William Pendell, Director

The Guidance Dept., directed by Dr. William Pendell, deserves our special thanks for their indispensable help and patience. Amidst a sea of transcript release forms and rushed schedule changes at the beginning of each school year, the members of the department remain collected and organized, and never fail to give accurate advice about courses or to get college applications out on time. The Class of 1987 extends our grateful thanks to all the members of this vital department.

Ms Cheryll Hogan

Mrs. Jean Flaherty, Secretary

Mrs. Lorraine Brinton, Psychologist

Ms Carol Armstrong

Mrs. Donna Watkins, METCO Coordinator

Mr. Thomas Hughes

# The Gifted Among Us

Mrs. Susan Bornstein, Supervisor

Mrs. Carol Rosengarten

Mrs. Anna Runci

Mr. David Walsh

Our school would be far from complete without the extremely special people who run our Special Needs programs. These caring, patient, and helpful individuals have always been ready to lend that extra hand to those of us who needed a bit of added support and encouragement. We very sincerely thank these teachers for their never-tiring devotion to their students.

Mr. James Cerullo

Mrs. Ann Matteson

Mrs. Jeanne Connolly

Mrs. Christine Mullen

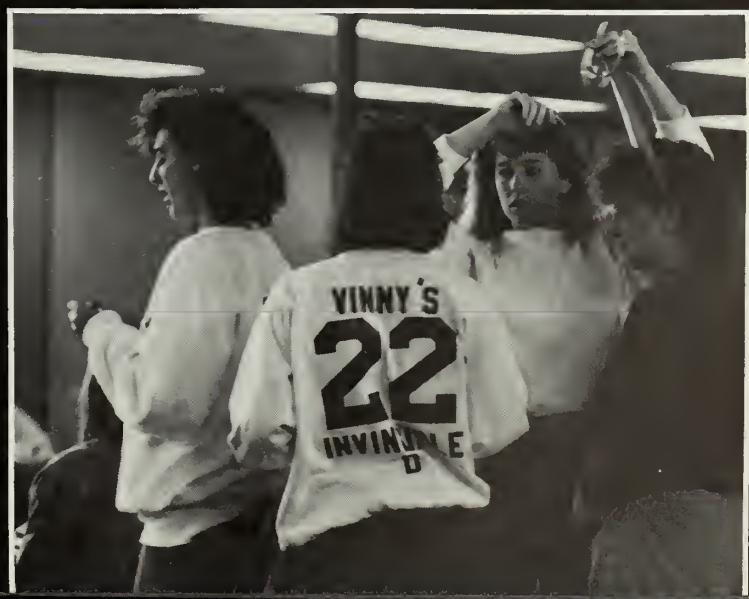

Mrs. Mary Messina

# To Those In Uniform

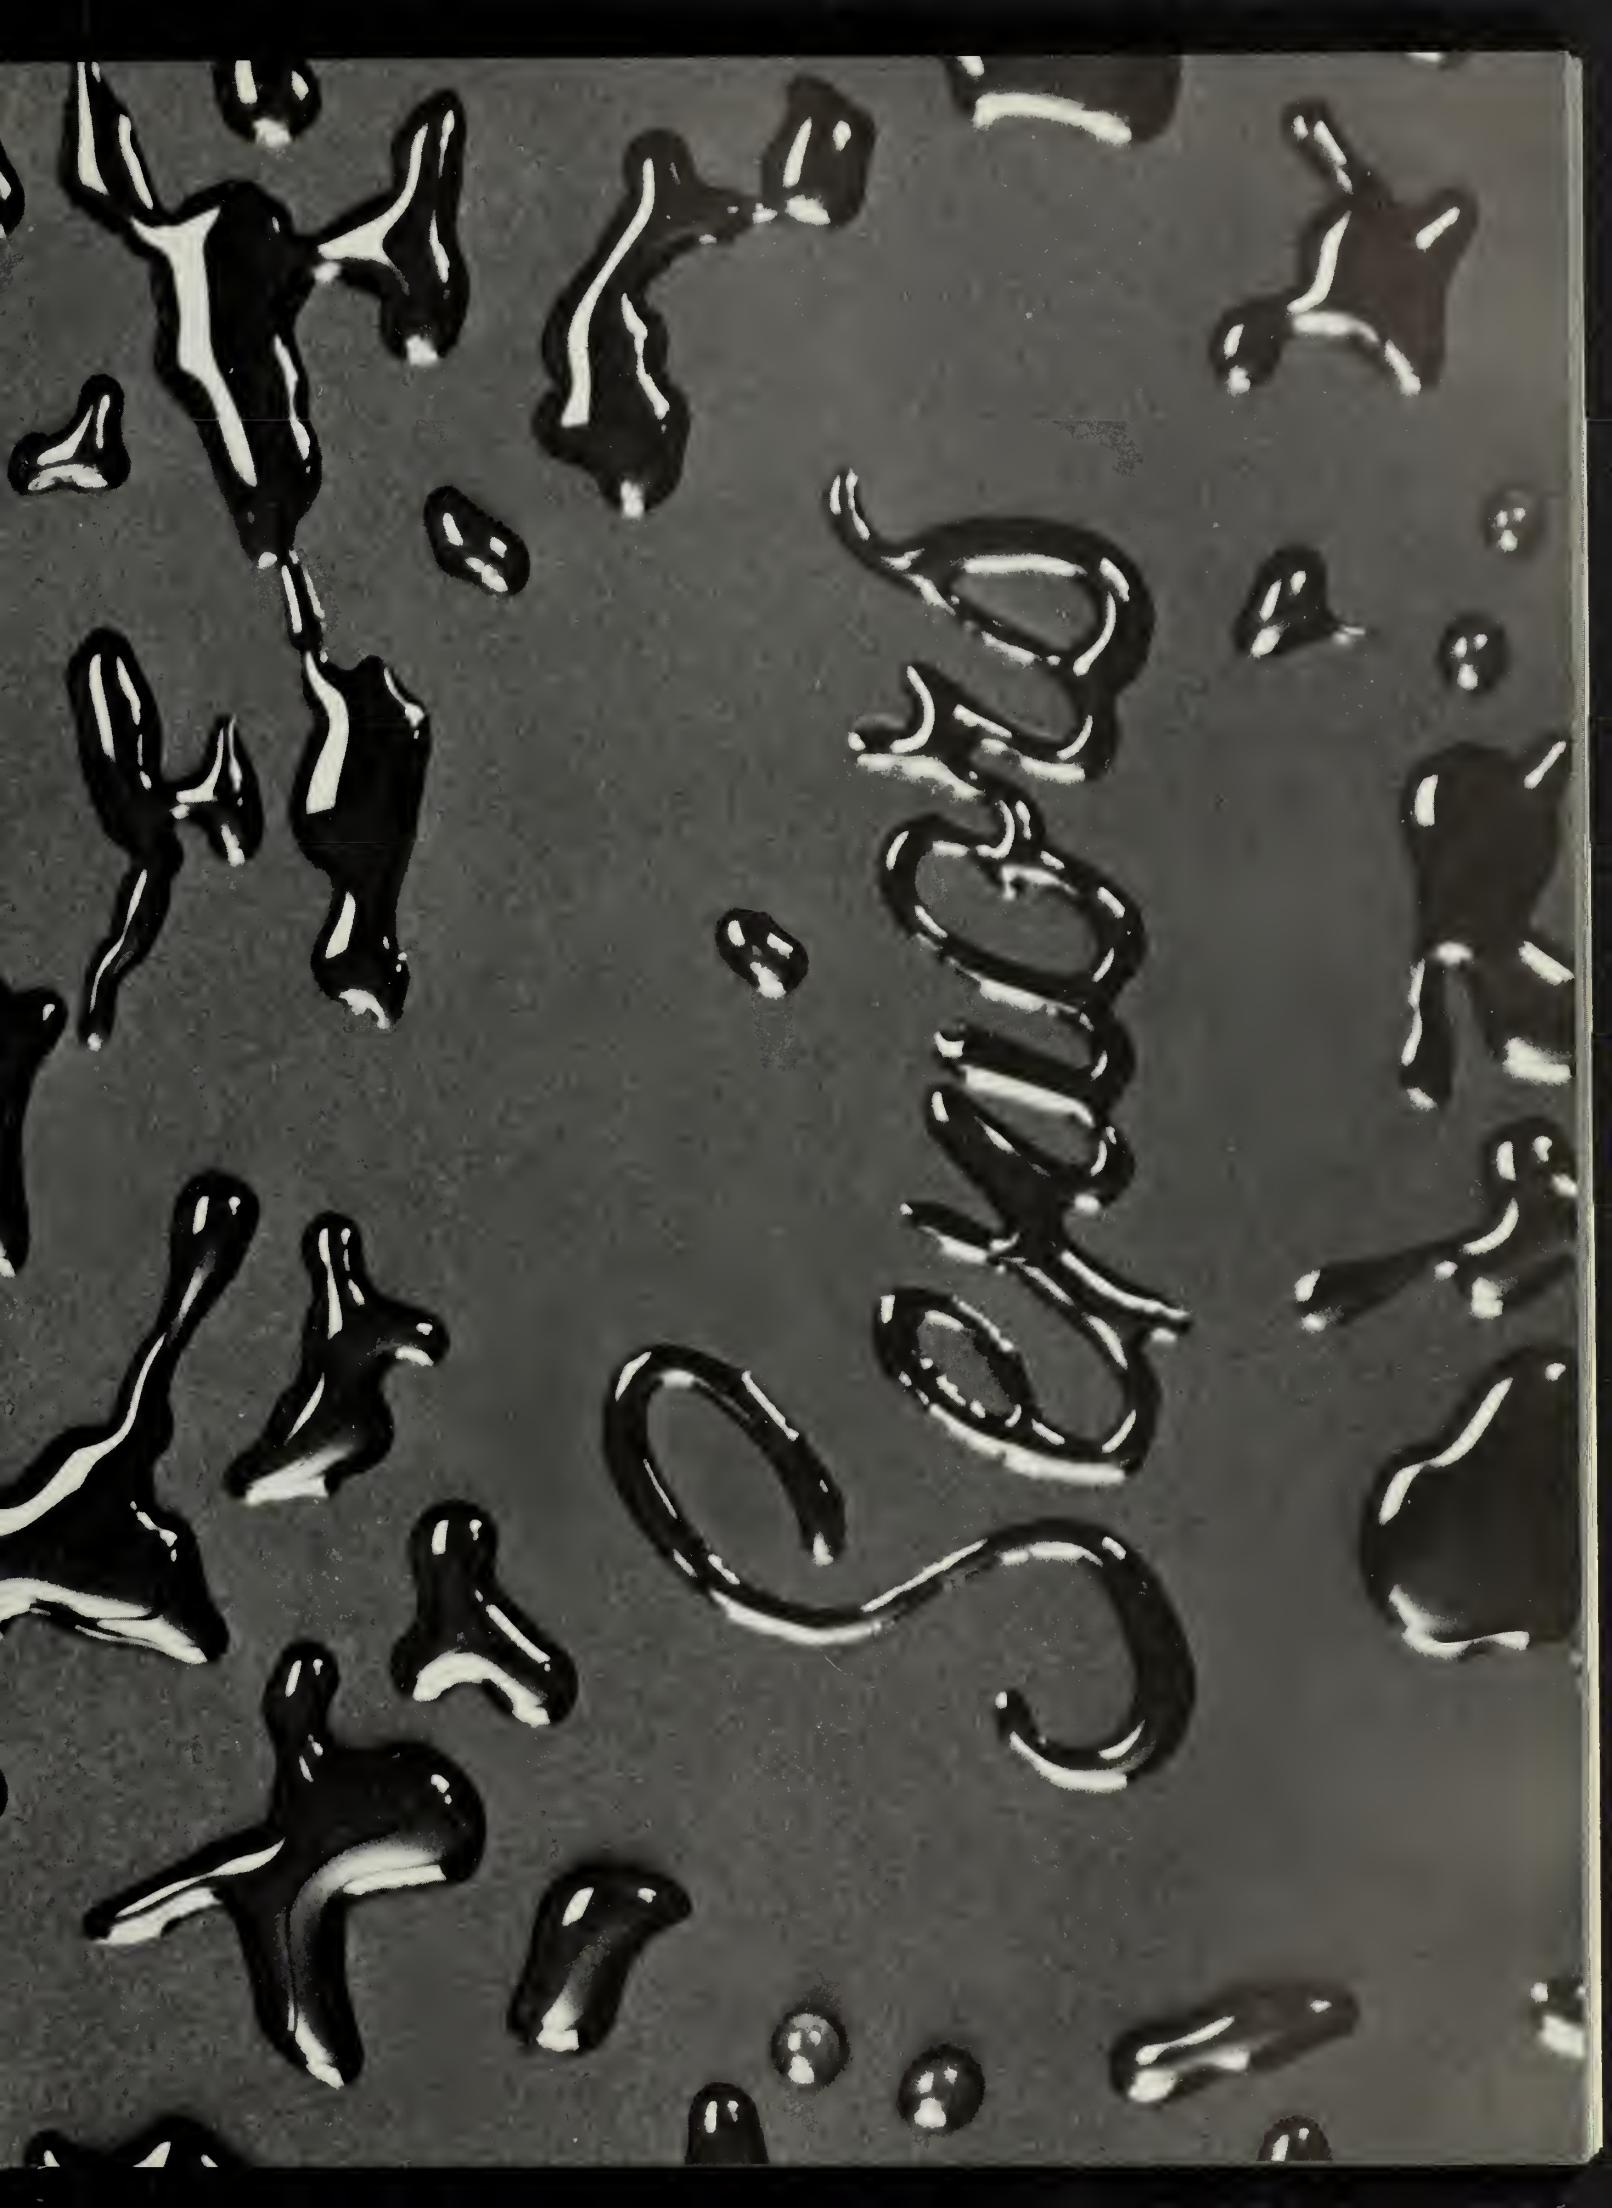

For serving our breakfast and lunch and for unlocking our doors and picking up our messes, we warmly thank the Cafeteria and Custodial Staffs. It would be impossible to list all that these caring people have done for us throughout our four years here, but things just would not have been the same without the Friday afternoon pizza or the friendly wave of a vacuuming custodian as we ran to catch the late bus. We truly appreciate all that you have done for us.

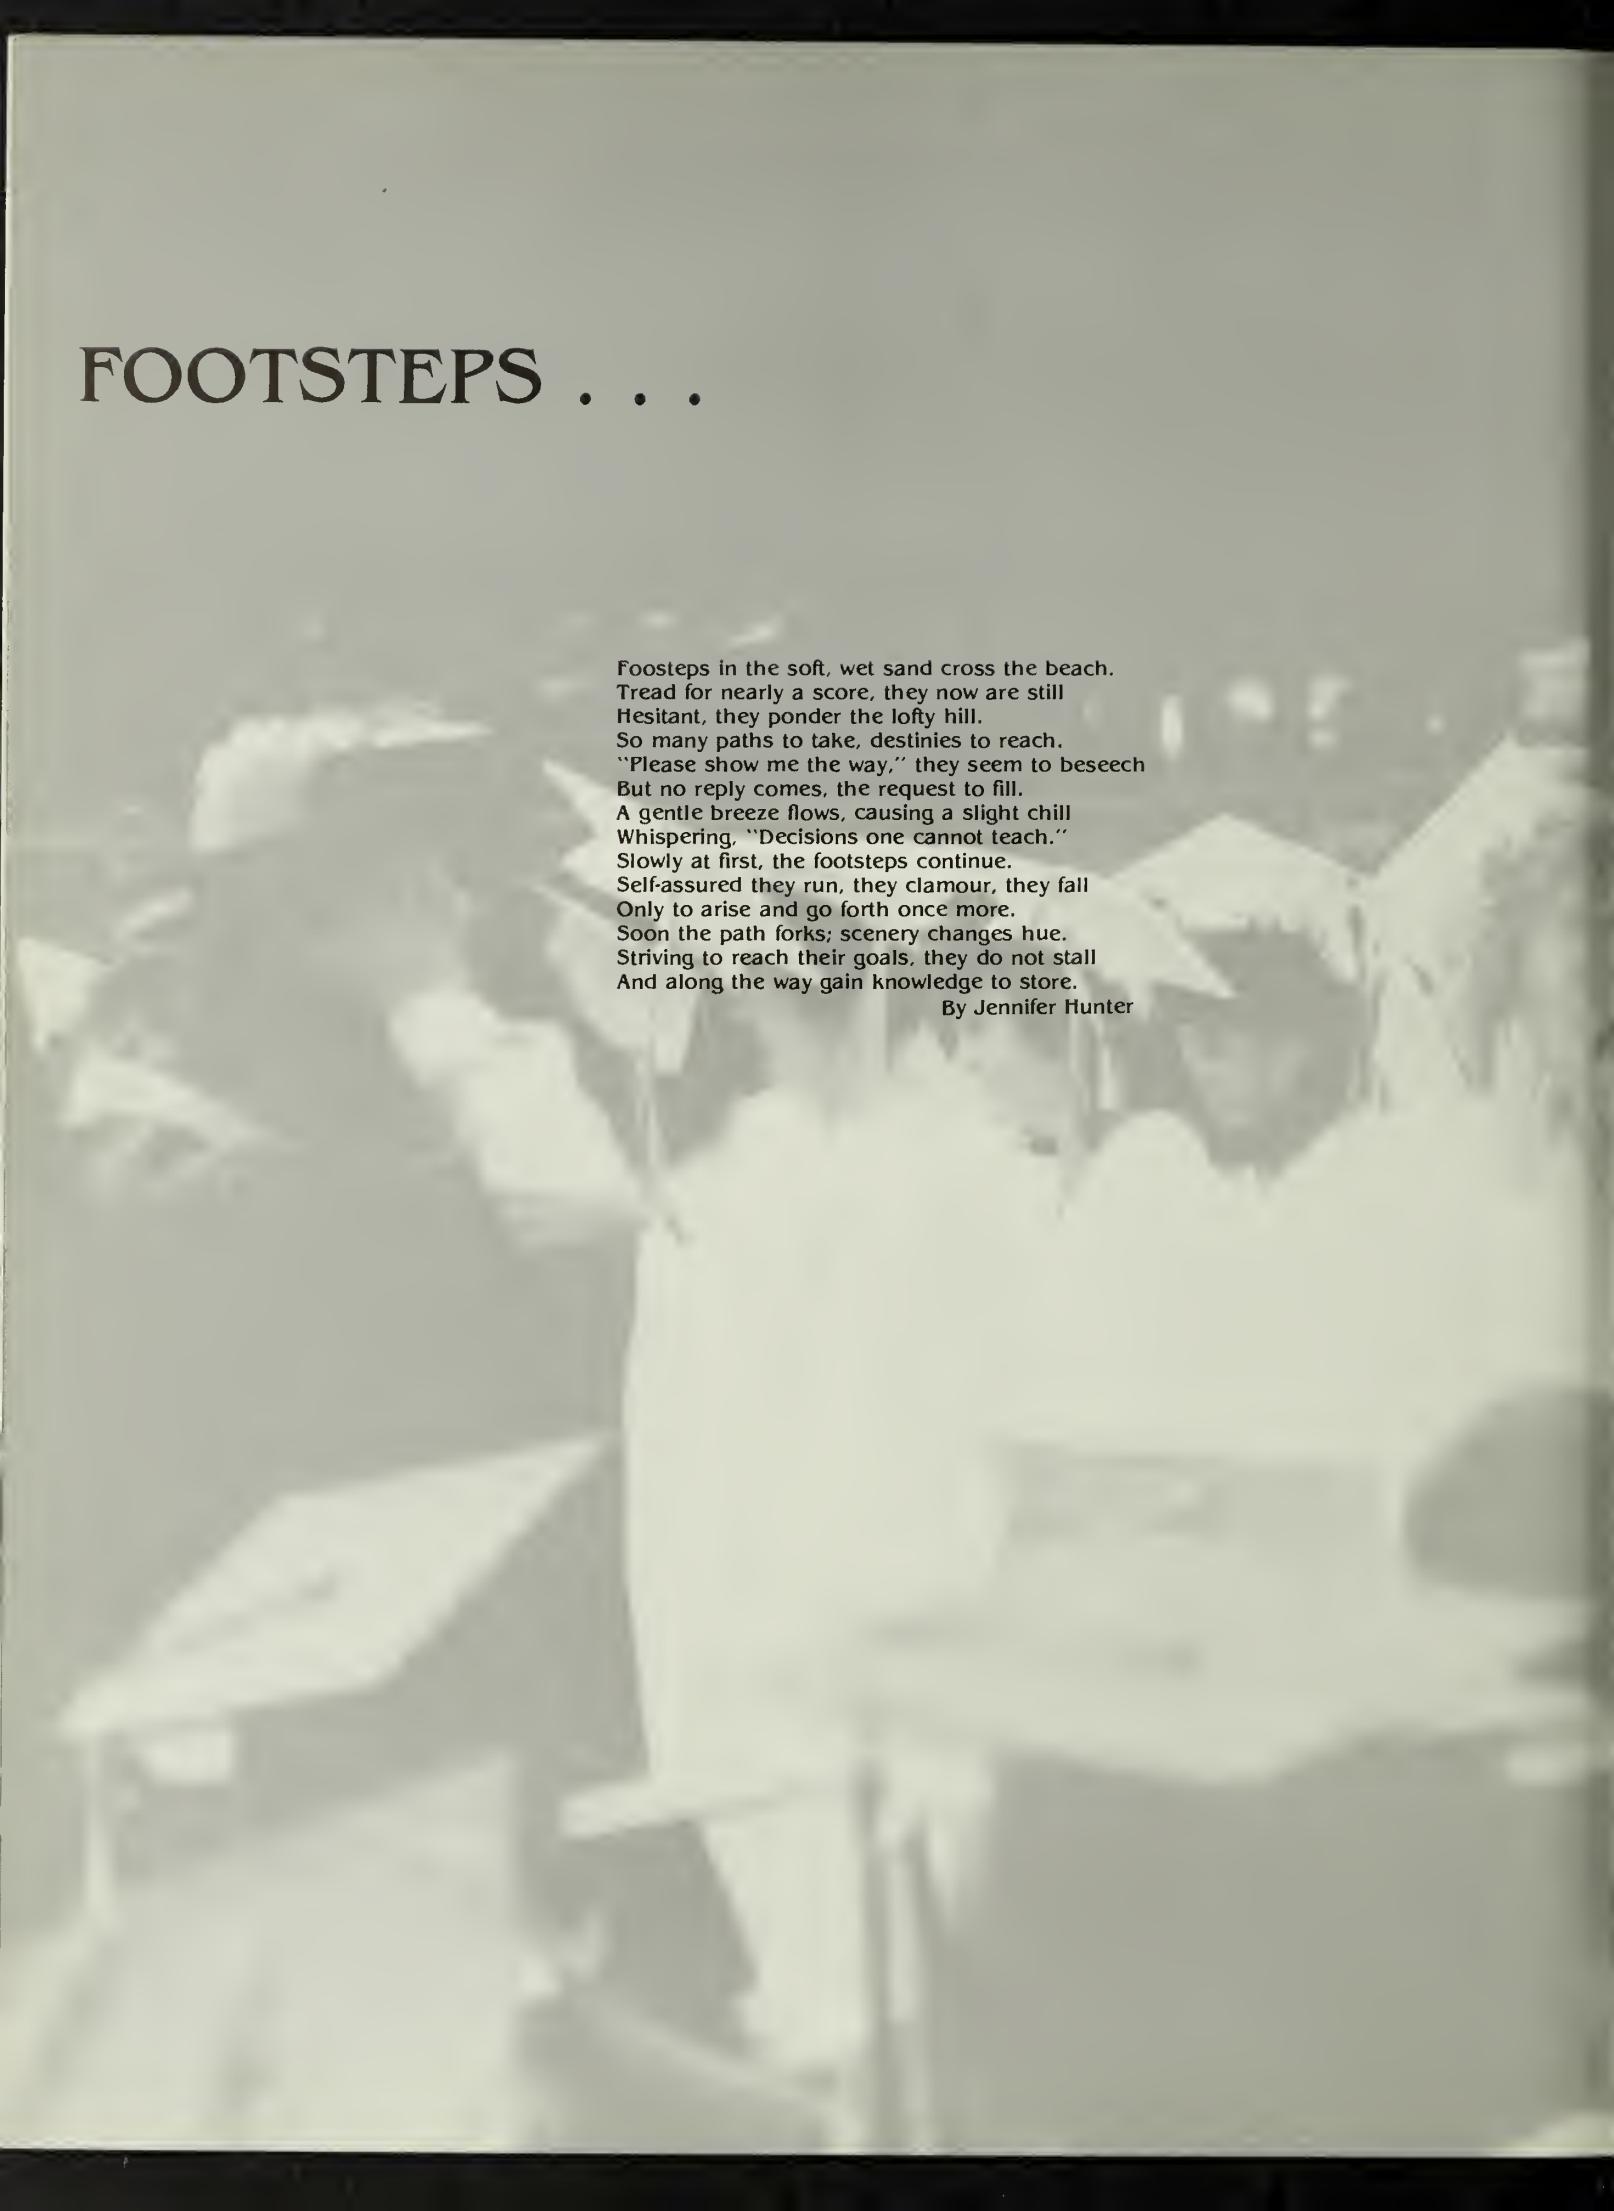

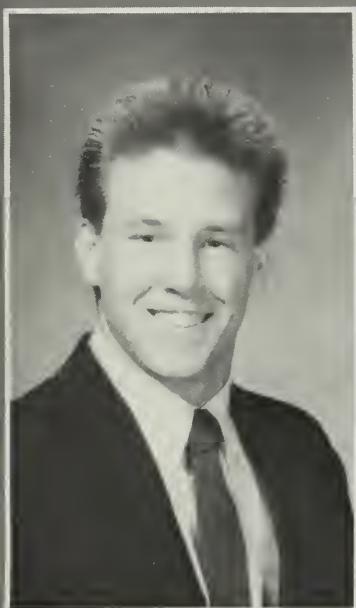

# FOOTSTEPS . . .

Footsteps in the soft, wet sand cross the beach.  
Tread for nearly a score, they now are still  
Hesitant, they ponder the lofty hill.  
So many paths to take, destinies to reach.  
"Please show me the way," they seem to beseech  
But no reply comes, the request to fill.  
A gentle breeze flows, causing a slight chill  
Whispering, "Decisions one cannot teach."  
Slowly at first, the footsteps continue.  
Self-assured they run, they clamour, they fall  
Only to arise and go forth once more.  
Soon the path forks; scenery changes hue.  
Striving to reach their goals, they do not stall  
And along the way gain knowledge to store.

Live each day, moving on, don't look back, the past is gone. One day you'll see your rocking chair, cause that's where we're all spinning, so what's the use in combing your hair when it's grey and thinning. There was an owl who lived in an oak, the more he saw the less he spoke, and the less he spoke the more he heard, why can't we all be like that wise old bird? Footsteps echo . . .  
Through a cavernous entrance  
Sounds of frightened children—  
Timidly exploring boundaries of  
A new and unfamiliar realm.

Footsteps echo . . .  
Through familiar halls  
Sounds of industrious students—  
Striving to accomplish myriad goals  
Within a sheltered world.

Footsteps echo . . .  
Through empty rooms  
Sounds of old friends reminiscing—  
Memories of past glories and failures  
Providing strength to look ahead.

Footsteps echo . . .  
Through a bannered exit  
Sounds of mutual congratulations—  
Understanding that we are again children  
In a new and unfamiliar realm.

Footsteps echo . . .  
Through diverging paths  
Sounds of individuals—  
Using years of self discovery  
To conquer new horizons.

# STUDENT COUNCIL

The Student Council, led by co-presidents Chris Hart & Lynn Elliot; vice-president Hope Irvine; treasurer Tom Smith and secretary Sue Spinale, had the honor of breaking in first year advisor Ms. Lisa Bowler. With her assistance we were able to sponsor the most successful Halloween dance in the past 5 years. This year due to the accreditation committee, Homecoming Week was altered. However, the usual school spirit was demonstrated and the students & faculty enjoyed the week. We decided to try something new and gave a pep rally on a Friday night? Here the previously announced Homecoming Queen (Renee Rich) and our first Mr. Westwood (Dave Henderson) were introduced. We didn't have quite the turn out as we hoped for, but it was all in good fun. In closing, on behalf of the Student Council, I would like to thank Ms. Bowler for a job well done. We would also like to wish her good luck in the future years as Student Council advisor and that they may be as fun as ours was.

# STUDENT ADVISORY BOARD

This year the student advisory board experienced one of its most successful years in its history. We were able to create a strong bridge between the student body and the school's officials. Combining our efforts with other school organizations and Sue Spinale, we were able to expel the swimming requirement. Also we created a student questionnaire to discover the views of the students. We had a remarkable response and many of those changes will be prevalent in the future. Furthermore, the SAB would like to thank Mrs. Petrakos whose hard work and dedication allowed us to enjoy a productive and successful year.

# KEY CLUB

The members of the Key Club were very busy this year in their volunteer projects. Their projects included blood drives, phone-a-thons, and candystripping at Norwood Hospital to name just a few. Beth, Hope, Beth, and Sue led the Key Club in these worthwhile activities, and they wish to thank Mrs. Matteson for her time and effort in heading the club.

Congratulations to this year's National Merit Scholars! The extremely high scores on the PSAT were quite impressive this year, and we boasted four semi-finalists (Tom Gearty, Stephen Buonopane, Aaron Proman, and Greg Carlevale). Good luck to all of these talented individuals.

The National Honor Society had a very good year. Under President Tom Gearty, Vice President Dave Curley, Secretary Sue Spinale, and Treasurer Tom Smith, the Society worked hard and had lots of fun. Who can forget those Sunday's raking the cemetery or those Friday mornings waiting to see who would show up for the meetings? Special thanks to Miss Dillon for all the hard work and time she put in to make N. H. S. a success.

# SPANISH HONOR SOCIETY

With the help and support of Senor "Hola" Ducheneau and, later on, Senora Perry, the Spanish Honor Society enjoyed a very successful year that proved to be lots of fun also. Although senior officers dropped like Spanish flies, a lot was accomplished and mucho funds were raised through activities like Bruins raffle sales, lolligrams, and the ever-popular helado. Thanks again to Senor, Senora, and the many officers-and Buena Suerte from the departing seniors.

first row (L to R): A. Coggins, C. Breen, B. Cronin, second row: M. Davis, D. Butters, R. Moore, L. Elliott, D. Curley, C. Hart, third row: K. Kremer, J. Connolly, K. Cronin, K. Perry, M. Hogan, E. Papetti, B. Cronin, S. Maxwell, S. Lane.

# STUDENTS AGAINST DRUNK DRIVING

It was another successful year for Students Against Driving Drunk at Westwood High School thanks to Mrs. Hanlon, S.A.D.D. advisor, and an enthusiastic membership.

A new twist to the S.A.D.D. campaign was the Pepsi bumper stickers, which encouraged people not to drive while under the influence.

The annual array of movies during prom season again heightened everyone's awareness to the dangers of drinking and driving.

Talks with many famous, and not-so-famous drug users, some of whom are still serving jail sentences, were an added interest to the students this year.

Good luck next year, and remember the meaning of S.A.D.D.

# NO PARENTHESES

front row (L to R): H. Kranz, J. Riley, M. Hogan, T. Gearty. middle row: D. Leary, A. Maurici, S. Maxwell. back row: A. Coggins, M. Davis, L. Anderson, B. Filippone, S. Segenchuk, S. Buonopane.

No Parentheses, Westwood High School's only literary magazine, had a fabulous year. This year's issue was the first to have been done entirely on computer and, despite a few headaches, was one of the better issues. Mr. Milan, whip in hand, kept Editor-in-Chief Tom Gearty, Senior Editor Maureen Hogan, and Technical Producer Jodi Riley on their toes. The hard work paid off as No Parentheses sold out almost instantly.

# DEBATING CLUB

1st ROW: D. Najjar, C. Breen; 2nd ROW: C. Greenhow, L. Anderson, J. White, E. Fadum; 3rd ROW: J. Collins, C. Nasisi, N. Bride, B. Sterling

The Debating Club, growing in numbers and ideas, was headed up for the second consecutive year by President Debbie Najjar and Vice-President Carolyn Jurkiewicz.

It was a challenge preparing for our intraschool debates and by working together we conquered many obstacles.

We wish next year's team good luck.

# DRAMA CLUB

The Drama Club had an active year in 1987. Under the guidance of Miss Shute, President Due Molloy, and Vice-President Laura Carrabis, they rehearsed weekly for one act plays and put on two major productions - *Whatever Happened to Good Old Ebenezer Scrooge* and *Sorry Wrong Number*. In addition, they worked on their technical skills back stage and set design skills.

1st ROW: L. Carrabis; 2nd ROW: K. Jenkins, D. Najjar, L. Badessa, M. DelConte; 3rd ROW: B. Carrabis, B. Carlson

# MATH TEAM

front row (L to R): S. Buonopane, T. Gearty, A. Proman.  
middle row: S. Adams, C. Nasisi, S. Segenichuk, H. Waldmann.  
back row: M. Papetti, N. Bride, B. Sceppa, J. Coen.

Sceppa, get the good . . . Of course we have to get dismissed early for lunch . . . The Westwood High Math Team led the league for most of the year, but lost in the final meet to the steady Dover-Sherborn Squad. The coaching and preparation by coach James Pender were instrumental in the team's victories. The departing seniors, Stephen Buonopane, Aaron Proman, Scott Adams, Steve Segenichuk, and Tom Gearty would like to thank Coach Pender for his dedication and leadership.

# FRENCH HONOR SOCIETY

The Societe Honoraire de Francais spent another productive year inducting new members into this elite little group! Unfortunately, we also lost a few members. C'est la vie, eh! Noleen and Linda perfected their ceremony decorating skills and Bertil impressed all of us with his flawless accent. We departing members would like to thank Madame Doucette, Mademoiselle Tieri, and Madame Coffin for their efforts in re-founding the W.H.S. chapter of the Society and we wish the remaining members much luck and more activity.

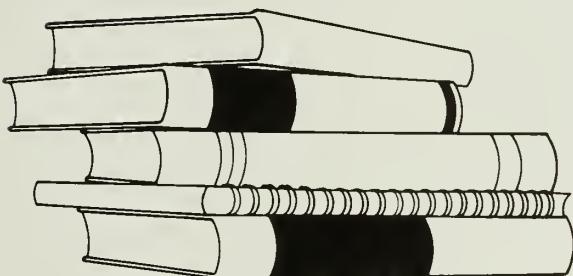

front row (L to R): L. Anderson, N. Little, S. Delaney. middle row: M. Rosenberg, J. Hennigan, E. Nguyen, B. Wenger. back row: J. Aquilina, L. Duffy, S. Harkness, M. Shama, L. Randlett.

# ACADEMIC DECATHALON

## PEER COUNSELING

first row: (L to R): J. Pederson, T. Smith, K. Roche, J. Gunderson, A. Hardiman, B. Sinnott, J. Harrington, A. Guindon, D. Masimiello. second row: S. Hellar, R. Brawley, C. Curley, E. Fadum. third row: M. Krukonis, J. Brown, K. Jenkins, W. Khoury, M. Giambanco, J. Christian, E. Lawless, J. Orphanos, L. Smith.

With the help and patience of Mrs. Hanlon, this fine group of kids hopefully turned some Jr. High students in the right direction pertaining to drugs and alcohol. After 3 long hours each Wednesday night for 6 weeks of training, they were finally able to do the real "counseling" at the Jr. High. Everyone, after getting over nervousness & anxiety (and a few tough little 7th graders), will agree that this new program at W.H.S. was challenging, fun and a great learning experience.

# BOYS' & GIRLS' STATE

front (L to R): C. Breen, G. Hart, C. Hart, R. Blomquist, back: A. Hardiman, M. Hogan, B. Regan, D. Curley.

Student representatives Dave, Cath, Chris, Jerry, Rob, Maureen, Reegs, and Amy spent a week at local colleges learning the basics of government on a local and state level. The several hundred participants were divided into political parties and then into towns and cities. Mock elections were held for town and city officials as well as state positions such as governor and attorney general. The Westwood reps. returned home with their heads filled with new knowledge, bodies weary with exhaustion, and their address books overflowing with new names.

## ANNOUNCERS

"Attention please for this morning's announcements." . . . "Here's Beth . . . thanks Sue" . . . The voices of Cathy, Sharon, Beth, and Sue started our days this year at W.H.S. We will never forget Sue's whining, Cathy's speed-reading, and, most of all, the announcers dedication and ability to get to school before 8:00.

L to R: C. Breen, S. Hellar, B. O'Rourke.

# CHORALE

For the second consecutive year, the Westwood High School Chorale gathered many energetic and talented students together on Wednesday nights for two hour practice sessions.

Under the instruction of a very patient director, Mrs. Maya Gray, the Chorale sang at the school's Winter and Spring Concerto, performed for the graduating seniors on Class Day, and received an "Excellent" rating at the Creative Arts Workshop Showcase.

The Chorale would like to thank Jennifer Keller and Jeffrey Domina, the piano accompanists, for a great job. Congratulations to Jennifer who was chosen as the pianist for the Southeast District Chorus.

Thank you Mrs. Gray!

## VOCAL ENSEMBLE

front (L to R): A. Sullivan, D. Pinel. back: S. Malloy, J. Bain, J. Reardon, D. Najjar, B. Carrabis.

Consisting of only 6 voices and 1 pianist, the Honors Vocal Ensemble broke away from the traditional Double Quartet not only in the number of students, but also in style. The Vocal Ensemble sang for members of the Museum of Fine Arts, the guests of Mr. Cedrone's retirement party, and for the French National Honor Society induction.

The Vocal Ensemble consisted of sopranos Debbie Najjar and Denise Pinel, altos Susan Molloy and Amy Sullivan, baritones Bill Carrabis and Chris Reardon and pianist Joyce Bain.

To all: Don't ever forget the closeness we shared being "Side by Side", Mrs. Gray's "1st mistake", and all the great memories.

# CONCERT BAND

1st ROW: A. Mehegan, C. Giambanco, B. Carrabis, B. Poreda, J. Pinel, N. McGee, M. Giambanco, J. Domina; 2nd ROW: J. Giambanco, M. Henner, C. Reardon, E. McCusker, J. Giambanco, L. Susi, K. Perry, C. Towne; 3rd ROW: G. Traylor, D. McKenna, M. Young, D. Fisher, Mr. Giurleo, S. Jones, C. Towne, D. Merrill

This year the Concert Band displayed its talent at both the Winter Concert and the Pops Concert. For the first time in recent years the Concert Band attended a festival in Agawam, then headed to Riverside Park for an afternoon of fun. The Concert Band again assisted at graduation, playing "Pomp and Circumstance" as the seniors filed in. Thanks to everyone in the band for your cooperation.

## ORCHESTRA

This year's orchestra, conducted by Mr. Giurleo, was another smashing success. The orchestra performed many concerts throughout the school year, including the Christmas Concert, the Pops Concert, and the First Annual Spring String Jubilee. Some of the pieces performed were: "Brandenburg", "Themes from Mozart's 40th Symphony", and "March from Joshua". Thanks for all your help, Mr. Giurleo, and good luck for your future orchestras.

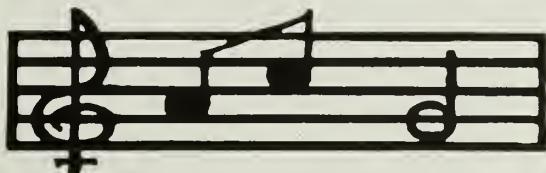

1st ROW: J. Bain, C. Hirschberg, K. Boland, A. Maurici, A. Corcoran, D. Merrill; 2nd ROW: Mr. Giurleo, B. Hogan

# DANCE BAND

You may have seen the Westwood High School Dance Band, under the direction of Don Richard, performing at banquets and concerts, but this jazz ensemble's main event is touring for three days in the Spring. This year the tour took place throughout the State of Maine. The Dance Band members were housed by local students in exchange for the musical entertainment they brought to many Maine residents. The trip was successful and rewarding as the Dance Band brought a little culture to the rural areas of Maine.

FRONT ROW: B. Poreda, M. Giambanco, D. Merrill, N. McGee; 2nd ROW: C. Reardon, A. Mehegan, W. Grube, E. Nguyen; 3rd ROW: A. Sullivan, M. Hogan, S. Jones, D. Fisher; 4th ROW: D. McKenna, G. Giambanco, J. Domina, B. Hogan, B. Poreda

## PERCUSSION

1st ROW: J. Bain, C. Reardon, J. Giambanco, M. Giambanco, J. Giambanco; 2nd ROW: E. Nguyen, C. Hirschberg, G. Traylor

This group of talented percussionists truly impressed us this year with all of the awards which they received in Marching Band and all of the tough rhythms which they performed in the various other musical groups to which they belonged. We were lucky to have been able to enjoy their talents at WHS and we wish them continued success in the future.

# MARCHING BAND

**NEW ENGLAND SCHOLASTIC BAND ASSOCIATION  
CHAMPIONSHIP FINALS  
B.U. STADIUM • NOVEMBER 2, 1986 • BOSTON, MA.**

Fall season means band season. This year the marching band placed first in four out of its five competitions, and placed third in the New England Scholastic Band Association finals, receiving awards for best percussion and best drum major. Under the direction of Jim Giurleo, the marching band practices up to twenty hours a week preparing for football games, parades and most importantly - competitions. Their very successful season has left them optimistic towards the future.

# HONOR SOCIETY ACTIVITIES

The honor societies at WHS had another active year in '87. SHH, under the direction of Mr. Ducheneau and Mrs. Perry, kept busy with raffles and ice cream sales, and now many of us know how to ask for our ice cream in Espanol! SHF, with guidance from Mrs. Doucette and Miss Tieri, helped make signs for the Foreign Language Fair and welcomed back Mrs. Coffin who spoke at the induction along with Mrs. Larkin.

NHS, lead by Miss Dillon, spent an interesting year helping the Recreation Dept. spruce up Westwood. Members chopped, raked, sawed, and generally desecrated nature all around town. In order to fulfill their crucial hours of service, NHSers were often also seen behind the counter of the school store and tutoring other students.

# GREEN YEARS STAFF

This year's yearbook is a unique one! The staff consisted of a grand total of seven people. Editors-in-Chief John Barry and Linda Anderson spearheaded the production of *Green Years '87*, while Christine O'Donnell contributed significantly with her typing.

The yearbook process began quite late (around Christmas) due to "contract problems" and was not completed until late August. However, the time and effort put in will hopefully prove beneficial.

*Green Years '87* offers a few new twists and ideas that did not exist in previous yearbooks. New events covered include the Mr. Westwood High Contest, the very successful Lip Syncs, and the Sailing Club under the guidance of Mr. Topalian. Original and creative pages include the "Bloopers" page and the newest section, "A Look Back". "A Look Back" displays some of us in our freshman, sophomore, and junior years. We hope you enjoy these new sections.

By looking at the biography section, one might come to the conclusion that it is incomplete; however, it is complete. It was made quite clear that all biographies had to be signed; however, some refused to, or forgot, and were therefore left out.

The process of making a yearbook is, and was, a long one. Literally hundreds of pictures had to be sorted and numbered: Activities, Sports, Seniors, and candids. The "best" pictures are, we hope, displayed in this yearbook; however, there were countless other pictures. Some good, some funny, and, unfortunately, some of bad taste (?). We hope you enjoy our selection of pictures.

The next step involved layout. Pictures had to be selected, cropped, blown-up, or shrunk-down. Headlines had to be created (30 pt., Style 47, All Caps), and tool lines added.

The next step, or shall we say hardship, involved typing. A part of the yearbook that often goes unnoticed, but adds another "dimension" to the yearbook - typing (Copy A, 8 pt., Style 47).

The last step, and probably the step that separates an average yearbook from a good yearbook, involves creativity. Tint a page, add a design, add a tool line, add a quote or type a line. The editors-in-chief undertook each of these steps, and *Green Years '87* had been completed. The yearbook is now in the capable hands of Jostens Printing and Publishing, and we hope our image of *Green Years '87* has come true.

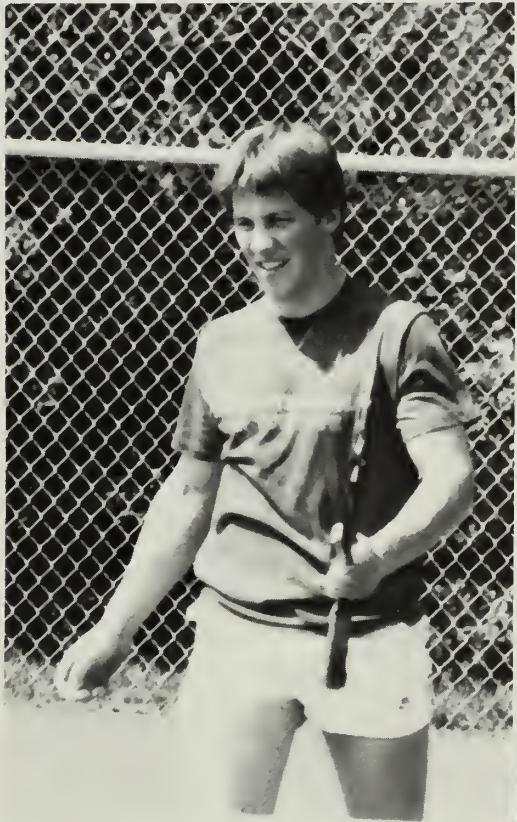

Creating the yearbook has been a worthwhile experience, and we hope you enjoy *Green Years '87*.

P.S. We would like to thank those people who took time out of their summers to help us with various sections of the book. We would also like to thank photographers Tom Gearty and Rob Fink - you guys made a difference.

All of us in the Class of '87 were glad to make the acquaintances of Bertil and Margarita. Bertil spent the entire school year with us and joined in our classes and also in activities such as tennis team and French honor society. Margarita was only with us for a few months, but we were glad to welcome her to the Senior Banquet and other spring activities. Unfortunately, in June Bert returned to Germany while Marg went home to Columbia; we will miss them, they enriched our school and our lives.

After an outstandingly hard fought season, the 1986 Westwood Wolverines Football Squad became the third team in the school's history to play football in December.

After dropping the season's opener, the Wolverines, led by captains Rocco Ruggiero, Kevin McCoy, Mike LaCamera, and Dave Curley, captured nine consecutive victories to become the first team in the history of the school to go undefeated in the Tri-Valley League.

# “GIMME A W”

# SUPERBOWL

At the Superbowl at Boston University, the Wolverines lost a close and bitter battle to Archbishop Williams by a score of 6-0. The team and its fans will always remember the Superbowl, but they will also remember the exciting plays and victories that got them there — fake field-goal touchdown passes, the longest (98 yds.) offensive drive in the school's history, and the regular season-ending victory at home against Holliston in front of 5000+ fans.

This year's volleyball team had a phenomenal season. Under the coaching of Bob West and leadership of co-captains Kelly West and Jen Murphy, the volleyball team compiled a nearly perfect 20-1 record. The girls were undefeated in the Tri-Valley League, Central and Eastern Mass. Champs, and State finalists.

The seniors would like to thank Coach West for an excellent season and wish next year's team good luck.

SPRINTS! . . . 6-sections! . . . Double K . . . Suck it up! . . . Stick-um! . . . We had a young team this year, made up of all juniors except for two seniors. This year's record didn't show the team's true ability, we did have a few games that would be better off forgotten. It was a fun season even though we ran enough sprints to last for the next 2 seasons. There were a few things that no one will ever forget. Like the time when we drove all our cars onto the field and played the radios to get ready for Holliston and Matt's driving lesson. Through Coach Rock's hard work the team really started to pull together to play some great games at the end of the season. The team started to work even harder with next year's season in mind.

The Cross Country Team's summer preparation paid off as the team ran to a 6-1 season, second in the TVL. The loss was to Holliston by the smallest of margins. Tri-Captains Stephen Buonopane, Aaron Proman, and Steven Segenchuk led the veteran squad of Scott Adams, Rob Dullea, Tom Gearty, Chris & Jerry Hart, and the hard-working Bill Hogan.

Juniors Steve Maxwell, Mike Pappetti, and Mark Rosenberg and sophomore Kevin Carter will lead the Harriers in the quest to regain the title from Holliston. However, they would stand little chance without Coach Hargreaves and his gumption.

# COUNTRY Girls'

M. Hogan, B. O'Rourke, W. Stranahan, Coach Bowler.

Under the structured but easy-going coaching of Lisa Bowler (a/k/a "Coach"), the Fall running crew gave their amazon competitors a race of guts. The record wasn't anything to brag about, but the perseverance of the team was noteworthy. Hopefully in future years, the turnout for team members will grow. As for the graduating terrain pounders of 1987, we wish our successors well!

The girls finished with a record of 4-12, led by co-captains Carolyn Kelley and Susan Spinale. Special thanks go to Coach Proc. for staying to coach the team one more year, and to J.V. coach Diedre Carey for making the season more memorable and a lot more fun.

On the line . . . Corner, post, slot.

The 1986-87 Wolverines were led by tri-captains Bill Grube, Ed Kirrane, and Brian Valentine, and were under the tutelage of coaches Dick Bradley, Jim Morgan, and Paul Valentine. The Wolverines enjoyed another fine season going 19-4-1 overall, and 15-1 in Tri-Valley League action. The season included their fourth straight Tri-Valley League title, and their third straight South Sectional Championship. The season also saw Ed Kirrane become the new all-time Westwood scorer with 124 points.

Under the tutelage of Coach Mike "Pizza" Piazza, the Clams finished the season strongly with a record of 5 wins and 5 losses. Captains Chris and Jerry Hart, along with fellow seniors Chuck Flanagan and Fran Mason will be sorely missed next season. From the graduating Clams of '87 we wish our next coach a great deal of patience, and next year's team good luck.

# GIRLS' SWIMMING

Splash! . . . The girls' swim team did a lot of splashing this season and ended up with a perfect record (0 and 10). Led by captain Kerry Buckley and coach Trish Sullivan, all of the girls improved their times. The divers also performed well. A special thanks to Linda Anderson and Alice Joyce for managing the team. Although the girls never came across a victory, they never stopped working hard and many fulfilled personal goals . . . Mel's dived . . . green hair . . . "Trish the Dish" . . . Suzanne's mouth . . . # BOYS' HOOP

The 1986-87 Wolverines suffered through a rebuilding season, compiling a 2-7 record. The team, led by co-captains Mike LaCamera and Kevin McCoy, had fun while often performing in front of sell-out crowds. McCoy provided the highlight of the season by scoring two points for Holliston and fellow senior Dan O'Brien set a league record for technicals and ejections in one season. Mike Doherty, the sharp-shooting senior guard, also provided great entertainment as well as refreshments for the team. Despite a disappointment in the record books, the team "showed everybody what the Tri-Valley League was all about."

Coach Sue Peters also captured her 100th win while coaching at Westwood this season. Though the team had a bit of trouble in post-season play, they enjoyed a fun and adventurous regular season. Thanks for everything, Ms. Peters & Carolyn!

# BOYS' INDOOR TRACK

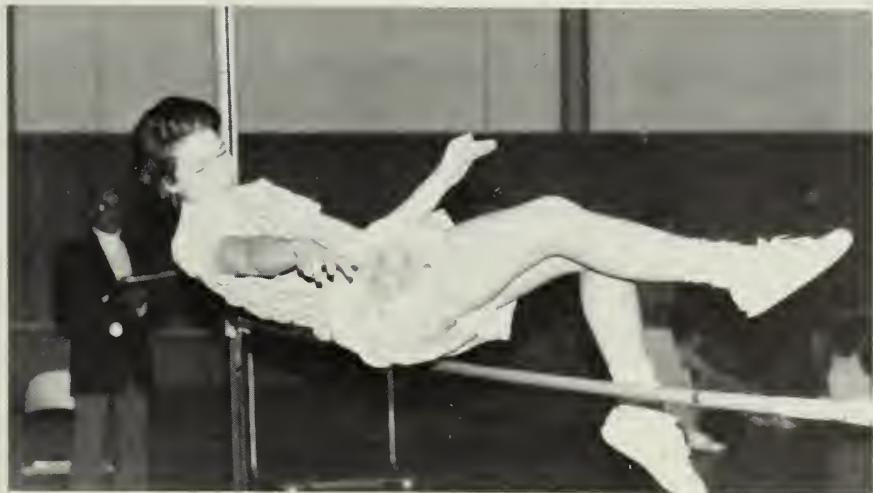

Jimmy Squid, Hotdog Henderson, and the Hawaiian relay team . . . quick, get me some lettuce!

The winter track team this year had the distinction of being the first to be coached by Mr. Greaney. Led by captains Steven Segenchuk and William Hogan, the team placed second in the League relays. Among the team's many other accomplishments include its 2-4 record and its outstanding oral hygiene.

# INDOOR LIGHTNING!

The 1987 Girls Track Team was an aggressive bunch, although only boasting a few victories. Coach Peter "Yeah, I'm awake" Brown had a devoted following of hard working, panting girls. Although he was new to the sport he caught on quickly and actually enjoyed the track scene for the most part. There was nothing like an early morning meet, and dealing with DQ's was a thrill in itself. But, as for the graduating tracksters of 1987, we hope every indoor season will be as enjoyable as this past winter for the bigger and better teams to come.

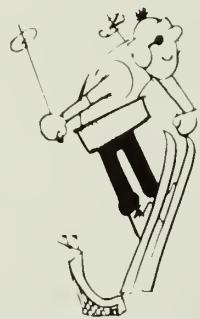

# SKI TEAM

A special thanks to George who did a very . . . interesting (?) job of coaching the ski club and racing . . . His expertise and skillful coaching took a team of Doug, Justin, Roger, Bob, Jeff, Spock,

Todd, Kurt, Tom, Cathy, Jen B., Jen T., Shep, Jen R., Liz, and others to the top . . . of Blue Hills . . . ## T.V.L. Champs

This year's golf team, under the guidance of Coach Kodzis and Captain Jay Carey, compiled a perfect record of 13-0. The undefeated team had a flawless season that was capped off by an upset victory over Ashland, making Westwood Tri-Valley League Champs. Seniors Steve Dakin, Joe McGowan, Jay Carey, Rich Reissfelder, Craig Foscaldo, and Ed Hennigan would like to thank Coach Kodzis for providing an excellent example, and for his excellent coaching.

The Spring Track Team performed exceptionally well this year. Under the guidance of Coach Hargreaves and Coach Grado, team captains Scott Adams, Thomas Gearty, William Hogan, and Steven Segenchuk led the team to a 4-2 record. Some other season highlights include the 2nd place finish in the league relays and the many TVL all-stars.

This year's girls Spring track Team, under the guidance of Coach Greeney, competed through a rebuilding season. Although the team won only three meets, they displayed a great deal of promise. Highlights of the season included John Barry's .468 batting average, Sean "Mr. Double" Bogue, Mark Krukonis' .95 E.R.A., Jack Thornton- the outstanding and handsomely paid scorekeeper, and the ever-exciting batting practices.

Led by Captain Mike Harkness, exchange student Bertil Wenger, and Marc Davis in singles, and Rich Lassen, Alan Brazier, Bill Grube, and Mike Levine in doubles, the Wolverines posted a 13-1 record to tie with Dover for the League title. Harkness, Wenger, Lassen, and Brazier were named Tri-Valley and Daily Transcript All-Stars. The team would like to thank Coach Greene for a great season and a great year.

The girls' tennis team was led by tri-captains Twisty Gogolak, Kerry Buckley, Joanne Peterson, and Coach Mary Procaccino. The team was undefeated in the Tri-Valley League and competed in the quarter-finals of the State tournament.

# SAILING CLUB

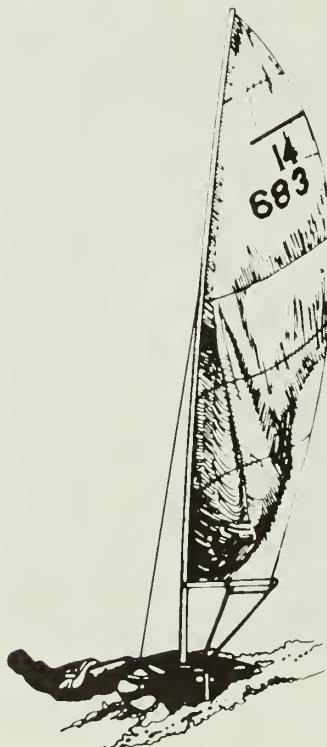

Another new addition to WHS this year was the Sailing Club. Initiated and run by Mr. Topalian, the club participated in a number of races on the Charles River. Sailors were required to pass an exam pertaining to nautical terms before they were permitted to take to the high seas. Although the club was just getting off the ground this year, there was much enthusiasm associated with it (except during the swimming tests at the pool) and we wish both Mr. Topalian and the members continued luck with Sailing Club.

# THANK YOU!

The Class of '87 bids a fond farewell to two of the finest members of the Westwood school system, Superintendent Cedrone and Mr. Sarris. Although we are truly sad to see them go, we thank both men for their many dedicated years of service, and we wish them a very happy and enjoyable retirement.

The Class of '87 also wishes to extend sincere thanks to the entire WHS faculty for their patience and support during our four years here. We especially thank our Senior Class Advisors who did a terrific job this year coping with tempermental P.A. systems and flat tires on buses.

THANK YOU!!!

# CAR WASH

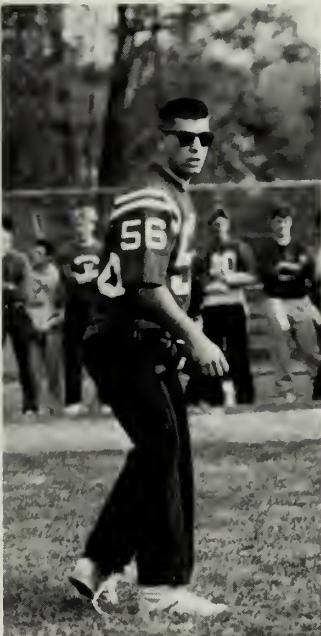

Early in the morning, before the Wolverines took the football field, some members of the class of '87 took the parking lot and tried out a new-fashioned profession—Car Washing. Well, these amateur car washers proved to be very successful by reaching a W.H.S. high for money made—over \$800 each wash! Who said making money wasn't any fun?

# CLASS DAY

## 1987

# FOOT STEPS

## FOOTSTEPS . . .

## INTO THE FUTURE

June 7, 1987—Westwood High School's Class of '87 Graduates. God blessed this day not only with beautiful weather but with beautiful graduates, staff members, family, and friends who were present on this special day. Under the leadership of president Dave Curley and intelligence of valedictorian Steve Buonopane the Class of '87 had a remarkable year at W.H.S. and will be a class never forgotten.

# HISTORY - CLASS OF '87

## Freshman Year

We were the Class of 1987, but the calendar indicated that it was still 1983. There were three years to endure before we could enjoy our senior status. We spent most of our freshman year getting lost in the halls, surviving first game days, and developing crushes on senior guys. Our class officers included John Barry, Rob Blomquist, Cheryl Huskins, and Karen Hagberg who did an excellent job doing whatever freshmen class officers do. During homecoming week we displayed our astounding school spirit by placing last in almost every category. Seated behind the band at the pep rally, we watched the football captains escort the queen and her court around the gymnasium. Hope Irvine was chosen as the freshman member of the court. We eventually found our forte in sports.

Both Ed Kirrane and Bill Grube were given varsity spots in hockey and Kevin McCoy and John Barry were called up to dress for Westwood's first Superbowl appearance. The girls basketball dynasty was assured successors with Lynn Elliott, Renée Rich, Hope Irvine, Jen Murphy, Nancy Rae, Laura Smith, Nancy McDermott, and Kelly West. Newcomer Sue Spinale made her mark in the classroom as well as a member of the varsity field hockey squad. Laura Smith was an asset to the softball team, while Twisty Gogolak stunned us with her talents on the tennis courts.

Although our beach trip to Horseneck was hampered by cold and cloudy weather, we made the most of the day by building some shaky pyramids. In June we looked forward to a relaxing summer and coming one step closer to senior year.

So now we are the class of 1991 and freshmen once again.

## Sophomore Year

Sophomore year, the in-between year. We were no longer freshmen, yet we still longed for upperclass status. Led by John Barry as President, Ruthann Brawley as Vice President, Rob Blomquist as Treasurer, and Laura Smith as Secretary, we braced ourselves for the 84/85 school year.

No longer in assigned studies, we now had to find creative ways to fill our "free blocks." The librarians may never be the same. Now veterans of WHS, we could enjoy some of the tried and true traditions.

Homecoming week featured Hat Day, Toga Day, 50's Day, Clash Day and the ever popular Green Pride Day. The annual Halloween Dance was its usual success.

Our sophomore year was dubbed "The Year of the Champions" as our Band, Football, Hockey, Girls' Basketball and Tennis teams all had winning seasons.

With all the excitement, we still managed to attend classes. Biology - the Sophomore Science - While Curley, Cleopatra, and the rest of the bananas laughed at the clock in Mr. Sarris' room 46, the rest of us rigorously studied for Mrs. Saltmarsh's class. Oral English was another favorite. We all really enjoyed the demonstration speeches, especially the one about how to kiss. We all "basically more or less" took health.

As the year came to a close, we headed to Nauset Beach for the beach trip. As always, it was another learning experience. Now we knew the definition of "New England Weather." When the last final exam was over, we jumped into summer knowing that we would no longer be underclassmen.

## Junior Year

We began our junior year with great expectations. Under the guiding leadership of President John Barry, Vice President Rob Blomquist, Treasurer Kerry Roche and Secretary Caroline Kelley we were ready to meet the demands of our new found status as upperclassmen — whatever those might be.

This was to be an important year for us, we were told. This was the one that counted, the one the college admissions offices looked at. Sadly no one had informed our teachers of this for instead of sympathizing with our plight they had the audacity to keep piling on the homework and the lectures — making junior year, academically, the most difficult yet, and causing us to finally begin to really see the extent of our "upperclassmen obligations."

It is at this point, however, that we must give a special thank you to our junior year U.S. History teachers, Miss Congdon and Mr. Brown. Without their calm, stable presence in the classroom and their gentle, relaxed approach to teaching we may not have made it through junior year. The daily forty minute lectures, the weekly papers, the debates, the little practice A.P. tests, "just for fun", all gave us a reassuring feeling that our other classes had failed to provide. Mr. Brown's students were even lucky enough to be granted the privilege of taking the A.P. test. Those evening review sessions really helped — not to mention the ice cream at Maddie's afterward. The test itself was just a barrel of laughs — imagine three mind-boggling hours of essays and multiple choice questions all for the bargain basement price of forty-nine dollars. However we failed to realize that included in the price of admission was the support of two cheerleaders bearing tootsie roll pops, soda, and pep talks. Some students had such a good time they took four more A.P.'s senior year.

Yes, "test" was a four letter word to us in our junior year. First the PSAT's then the SAT's, then the SAT's again. You can never have too much of a good thing.

Rounding out the academic year was Westwood High School's first annual Science Fair. Backed by the support of Miss Pufahl and Dr. Griffin, Westwood came up with some Noble Prizeworthy entries, whether it be an experiment with lower calorie donuts, laser beam (Nice job, Tom), or everyone's favorite — photosynthesis.

On the extracurricular side of life, junior year was again memorable. Though, according to Channel 5, very few of us were capable of remembering anything. Yes, that was the year of the great drug abuse scandal. All the hype was over soon enough, however, and Westwood's students got to show themselves in a much more favorable light when Good Morning America picked Westwood to be featured in a prom fashion show. Sue Spinale, Beth DiScuillo, Kristen Lepri, Kerry Bender, and Carolyn Tassinari all looked lovely in their gowns; and the lower media center never looked better — transformed into a dance floor for the occasion. The real prom was just as eventful. The Junior Court was represented by Lena Cohen, Roberta Moore, Carolyn Jurkiewicz, and Dianne Runci.

And so the year wound down to a close. And as we juniors (the third of our class who attended that is) reverently watched the seniors march out after Class Day we realized we were now seniors. We had a great deal to look forward to and a great deal to work on. Not the least of which was the sobering fact that we had only one short year left to practice that grueling graduation march.

# Senior Year

As the summer drew to a close and our first years at W.H.S. began, we looked forward with mixed emotions. We felt both confidence and uncertainty. Because as Seniors we would have twice the responsibility, yet triple the fun that we had ever had in our high school years. With Dave, Cathy, Rob, and Kerry leading the way, we felt sure that the Class of '87 would go out in style.

The year got started on the right foot with a very exciting boy vs. girl Powder Puff Football Game. The hard fought game ended on a somewhat unsettled note with the controversial "No overtime" call made by the referees. The game thus ended in a wishy-washy 6-6 tie. Some highlights of the game included the girls' tremendous defense which was of course "the cheese", the ankle ties of Jim Tunney and Bob Hubbell which spent more time untied than tied, and, of course, the cheerleaders who showed the best moves of the day.

The next event for the Class of '87 was also the first in a long line of fund raisers, the ever-popular car wash. Unfortunately for those who brought their cars in to be cleaned, our seniors were not professionals.

Another such fund raiser was the school's first-ever school store, which under the watchful eyes of seniors Tom Gearty, Scott Adams, Jim Sullivan and Mike Levine was extremely prosperous.

In November, the Class of '87 was all Aces with a Thanksgiving and a Homecoming to remember. Homecoming week was belated this year in preparation for the big Holliston-Westwood Turkey Day football game, which would once again determine the league championship, as well as a Superbowl berth. The week included Hat Day, Toga Day, Pajama Day, 50's/Punk Day, and of course, the ever-popular Green Pride Day. Towards the end of the week, the class held the first-ever Mr. Westwood High School competition as an answer to the Homecoming Queen. After a night of over-acting and careful balloting, the senior class girls crowned Dave Henderson as Mr. W.H.S.

Homecoming Week ended in a night-time Pep Rally to prepare for the Thanksgiving Day game, and Renée Rich took the honors as 1987's Homecoming Queen, with Hope Irvine and Stac Shanning on her court.

As the climax of the week, our boys rolled over the Holliston Panthers to a well-deserved 13-0 Superbowl clinching victory.

With the winter came heartbreak, as Westwood High's athletic teams suffered four near misses. The first coming as the girls volleyball team lost a close game in the state finals, which was played at Worcester Polytechnic Institute. Then, on the following day, the football team was overpowered in the Superbowl by the huge Archbishop Williams. Next, the ever-powerful girls' hoop team succumbed to defeat after fighting their way deep into the state tournament. Westwood's final hope, the rough and tough hockey team, lost a tough one to Northeast Regional after travelling all the way to the state finals. Although these teams all lost in their big games, they will always be champions in the hearts of Westwood fans.

New Year's Eve crash landed in Westwood with many wild celebrations, and when Christmas break came to a close our seniors brought themselves, as well as their headaches back to school.

In January, the first of two lip-sync's took place. In each one Jim Sullivan saved the day with his incredible stereo system. In the first Dave Henderson once again took the victory syncing to "Old Time Rock N Roll", while in the second victory honors went to a ragtime band of underclassmen.

As February rolled around, so did the annual "out of control" London trip where some students got so "out of control", they got to leave early! A few daring Westwood students danced their way across England and hob-nobbed it with the Brit's, and, of course, Roberta met Boy George. Upon their return, lipa-mania struck W.H.S.

Soon it was spring, and many books gathered dust in senior lockers, as the first cases of senioritis and Spring Break set in. For spring vacation, many Westwood students journeyed to Bermuda for some fun in the sun while other unfortunates stayed home to brave the baseball diamonds. Our seniors were well accounted for in all the chic clubs as well as both on and "falling off" their mopeds.

As the vacation week drew to a close, our seniors tried to squeeze as much partying as possible into those final nights, and the "flamingo" may never be the same.

While we headed into the final months of our high school years, May 15th, Prom Night, rolled around, and the "Lean On Me" theme was very fitting as students bumped and leaned on one another all night on what had to have been the world's smallest dance floor. Marie Giambanco was crowned Prom Queen and her senior court consisted of Julianne Pinel and Nancy Sheppard.

Before the night was officially over, many students had already left the Sheraton, and were on their way down the Cape for a wild Prom week-end which many would like to forget, but most can's remember.

For all intents and purposes, our year had ended and only the formalities and traditions had to be carried out. Traditions such as a class prank. A few daring girls from '87 banded together to complete the most anti-climatic class prank in the school's history! Most students never even saw this masterpiece due to the crack team of janitors led by fast-Eddie Reed.

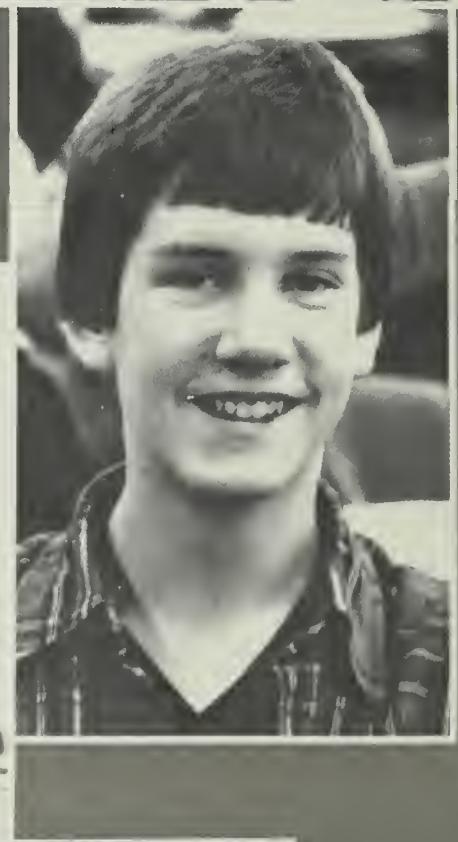

The year came to a close as once again the Class beach trip was held on a wonderfully overcast day. While on Crane's Beach, students made the best of the time by braving the surf and playing football, wiffleball and volleyball (which is where Dano and Mike found areas of expertise).

With the school year behind us, and our classes at Westwood High over, the Class of '87 would like to thank all the teachers who have tolerated us, as well as helped us, through the years, and especially Mrs. Rosengarten, who, as our Senior Class Advisor, did more for us than many will ever know.

Do You  
Remember  
When . . .

... And that's the way it was.

THIS IS THE TIME . . .

*We walked on the beach beside that old hotel  
They're tearing it down now  
But it's just as well . . .*

*I haven't shown you everything a man can do  
So stay with me baby  
I've got plans for you . . .*

*This is the time to remember  
Cause it will not last forever  
These are the days . . .*

*To hold on to  
Cause we won't  
Although we'll want to . . .*

*This is the time  
But time is gonna change  
You've given me the best of you  
And now I need the rest of you . . .*

*Did you know that before you came into my life  
It was some kind of miracle that I survived  
Some day we will both look back . . .*

*And have to laugh  
We lived through a lifetime  
And the aftermath . . .*

*This is the time to remember  
Cause it will not last forever  
These are the days . . .*

*To hold on to  
Cause we won't  
Although we want to . . .*

*This is the time  
But time is gonna change  
I know we've got to move  
somehow  
But I don't want to lose you now .*

*Sometimes it's so easy  
To let a day  
Slip on by . . .*

*Without even seeing each other at all  
But this is the time you'll turn back to and so  
will I  
And those will be days you can never recall . . .*

*And so we embrace again  
Behind the dunes  
This beach is so cold . . .*

*On winter afternoons  
But holding you close is like holding the  
summer sun  
I'm warm from the memory of days to come . . .*

*This is the time to remember  
Cause it will not last forever  
These are the days  
To hold on to  
Cause we won't . . .*

*Although we'll want to  
This is the time  
But time is gonna change  
You've given me the best of you  
But now I need the rest of you.*
